Monsignor Mancini's Retirement

As previously announced, Rev. Monsignor Anthony Mancini will retire on June 30th of this year. Parishioners and friends wish Monsignor many blessings in his retirement and may honor him in a special way this Sunday at the 10AM Mass. The Mass will be followed by a reception in Cathedral Hall to which all are cordially invited.

The Most Rev. Bishop Bruce Lewandowski also wishes to announce the appointment of the Rev. Monsignor Raymond Bastia as the new Rector of the Cathedral Parish, effective July 1, 2026. Monsignor Bastia's Installation Mass will be on Sunday, November 1st at 10AM.

VOLUNTEERS NEEDED FOR COLLECTION COUNTING TEAMS

In order to maintain our compliance with both diocesan norms and the policies of the Catholic Mutual Insurance Co., our carrier, we need to expand our volunteer staff of money counters.

Parish volunteers are needed to form alternating teams that could come to the Cathedral Office on a Monday morning about 8:30AM for about two hours (every other week) to open the weekend collection envelopes and to prepare the offerings for deposit.

Training will be provided.

Please contact the new Rector, Msgr. Bastia at (401-331-2434) for further information about offering your help for this important service to the Cathedral Parish.

PARISH ASSEMBLIES

Bishop Bruce Lewandowski has announced a new one time program for diocesan consultation through "Parish Assemblies," or local group meetings, to be conducted either in the summer or early fall in each diocesan parish for the purpose to review present diocesan ministries and activities and through prayer and consultation to prepare a direction for the next few years. The results of all the parish consultations will be collated and reviewed in a representative Diocesan Assembly to be held in the fall.

The Cathedral of Saints Peter and Paul Parish looks forward to participating in this important consultative process. **More information will follow in the next few weeks.**

FROM THE RECTOR - Monsignor Mancini

My dear Brothers and Sisters,
I would like to share with you the following meditation:

One and Three

Look at the sun on high, which appears to be one. But bend down and look and see its shining—a second. Test, touch, and examine its heat—a third. They are like one another, and not alike. Fire and sun are single natures. Three things are mingled within them threefold—Substance, heat, and, third, light. And they dwell in accord with another. If fire's nature is such a marvel (It begets, yet suffers no loss; it spreads evenly, without growing cold; though its heat is distinct, it is not cut off from it). [It bears] the mystery of the Spirit—the type of the Holy Spirit. And though they are so like one another, [Fire] is still far different, for it cannot depict the Trinitarian mysteries, which can never be depicted. And if the investigation of this fire inundates us—how can it be one? How can it be three? How can those things that dwell within it be three? How can its heat be divided and not cut off? A nature that we have received lovingly, in a threefold manner, yet have not, along with it, possessed divisive debating. How much more should we receive simply these Three, with love that does not dispute? Their nature does not come after us, to become like us, for they are like each other in every way, while the natures of creatures are distinct and dissimilar. How much more distinct than all is the nature above all?

SAINT EPHREM THE SYRIAN

Saint Ephrem the Syrian († 373), a deacon and a hermit, wrote hundreds of hymns in honor of the Blessed Trinity, the Incarnation, and the Blessed Virgin Mary.

“For God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life. For God did not send his Son into the world to condemn the world, but that the world might be saved through him. Whoever believes in him will not be condemned, but whoever does not believe has already been condemned, because he has not believed in the name of the only Son of God.”

(Jn. 3:16-18)
